

Who Are You Defenders Of The Universe

The Dears

We need your information.
We will do what we must.
But not here,
Or in front of people,
Or on the phone.

We're not all blood-sucking leeches.
For we all have families too.
But that don't mean that we really love them-
Or that we don't.

Cause I can't love you.
And you can't love me.
But I can love you.
And you can love me.

Love me.

It's not a confrontation.
(All across the world, open your eyes)
We are here because we are broke.
(Give us what we want, we've had enough.)
But we don't expect a handout, or anything.
(So, so, so, so, so)

'Cause I can't help you.
And you can't help me.
But I can help you.
And you can help me.

I can't help you.
You can help me.
I can help you.
You can help me.

Help me.

Help you.
(It's not an impossible situation.)
Help me.
(It's not an impossible situation.)
Help you.
(It's not an impossible situation.)
Help me.
(It's not an impossible situation.)

I know there is doubt we can do this-
But-
I can help you.
