## The Decemberists

What a gift, what a gift you can give me  
Here with my heart so whole,  
while others may be grieving  
Think of their grieving

And oh my boy  
Don't you know you are dear to me  
You are a breath of life  
and a light upon the water  
A light upon the water

And, oh my love  
If you only knew how I long for you  
How I waste my days wishing you would come around  
Just to have you around

And what a dear  
What a sweet little baby  
This cannonball in the bosom of your belly  
It's just a kick in your belly

And oh my god,  
What a world you have made here  
What a terrible world, what a beautiful world  
What a world you have made here
