From My Own True Love (Lost at Sea)

The Decemberists

Four score years Living down in this rain swept town Sea salt tears Swimming round as the rain comes down

Mr Postman, do you have a letter for me? Mr Postman, do you have a letter for me? A letter for me From my own true love Lost at sea Lost at sea

Mr Postman, do you have a letter for me? Mr Postman, do you have a letter for me? A letter for me From my own true love Lost at sea Lost at sea
