

Metropolis

The Defiled

Here come the hounds
You'd better turn and fight, no place to hide
Ripped up inside
Tried your best, but you'll get no free ride
No reason to complain
You're just another one, it's all the same
We are all the same

Crack the whip of modern times
Come meet the dispossessed
Metropolis, you feeble bitch
Carving tombstones for the rich

Watch you fall down
We'll laugh as all your dreams we'll pound
This is the sound
Rock bottom
As you hit the ground
Disillusioned, feeling drained
You're just another one, it's all the same

Crack the whip of modern times
Come meet the dispossessed
Metropolis, you feeble bitch
Carving tombstones for the rich

Crack the whip of modern times
Come meet the dispossessed
Metropolis, you feeble bitch
Carving tombstones for the rich

Crack the whip of modern times
Come meet the dispossessed
Metropolis, you feeble bitch
Carving tombstones for the rich
