

No Place Like Home

The Defiled

One day when it all changed
Nothing will be the same
Leave us in pieces and take all the blame

We've been lied to for years
All trust has disappeared
And we're not listening to what you've got to say

Just walk away

Fall to your knees and pray for forgiveness
Maybe time has healed our wounds
But these scars are too deep

Shell of a broken man
Never completed plans
Look back in time before it all began

Sadness is brought upon
This life that I've strayed from
I've come to realise that there is no place like home

Fall to your knees and pray for forgiveness
Maybe time has healed our wounds
But these scars are too deep

Fall to your knees and pray for forgiveness
