

I Told You So

The Delfonics

Oh... oh...
Yeah... yeah...
Oh... oh... oh...

Told you so
You could never let me go (I)
'Cause I told you so
I told you so

How many times you try to leave me and never
{You never go}
How many times you say that you hate me and oh
{You love me so} Listen

'Cause I told you so
You could never let me go
'Cause I told you so
I told you so

How many times you said you're leaving and never
{You never go} No
How many times you say that you hate me and oh
{You love me so} Listen

Told you so
You could never let me go (I)
'Cause I told you so
I done told you so

Come on, girl, you ain't goin' nowhere
[Sit on down, woman, you know can't leave me]
All this money I'm spendin' on you [That's right]

I told you so
You could never let me go (I)
'Cause I told you so
I done told you so

You could never, never, ever
Yeah, yeah

I told you so
You could never let me go (I)
'Cause I told you so
I done told you so

Told you so (Never let me go)
You could never let me go (I done told you so)
'Cause I told you so (Never let me go)
You could never let me go (I done told you so)

I told you so (Never let me go)
You could never let me go (I told you so)
