

Tell Me This Is A Dream

The Delfonics

Tell me this is a dream

You're the same old girl
That lived across the street
And you're the same old girl, yeah
That I was dying to meet

Well, now you're running around
And you think that I don't know
And you know if I found out
It's gonna hurt me so

And it hurts me so bad
Whoa, ho, ho, yeah

Tell me this is a dream
Somebody, please
Tell me this is a dream
Somebody, please
Tell me this is a dream

And I remember
When you kissed me
You said you loved me so much, girl
Said our love would always be

Well, now you're running around
You think that I don't know
And you know if I found out
It's gonna hurt me so

And it hurts me so bad
Whoa, ho, ho, yeah

Tell me this is a dream
Somebody, please
Tell me this is a dream
Somebody, please
Tell me this is a dream

You know I'm just like a guy right now
That don't want to face the reality
The one I love leaving me
You know, loving you too much
Not wanting to realize that
You're in love with someone else

And it hurts me so bad
Whoa, ho, ho, yeah

Tell me this is a dream
Somebody
Tell me this is a dream
Somebody
Tell me this is a dream

Tell me this is a dream

Somebody
Tell me this is a dream
Somebody, please
Tell me this is a dream

Tell me this is a dream
Somebody, tell me...
