

# Tell Me This Is A Dream

The Delfonics

Tell me this is a dream

You're the same old girl  
That lived across the street  
And you're the same old girl, yeah  
That I was dying to meet

Well, now you're running around  
And you think that I don't know  
And you know if I found out  
It's gonna hurt me so

And it hurts me so bad  
Whoa, ho, ho, yeah

Tell me this is a dream  
Somebody, please  
Tell me this is a dream  
Somebody, please  
Tell me this is a dream

And I remember  
When you kissed me  
You said you loved me so much, girl  
Said our love would always be

Well, now you're running around  
You think that I don't know  
And you know if I found out  
It's gonna hurt me so

And it hurts me so bad  
Whoa, ho, ho, yeah

Tell me this is a dream  
Somebody, please  
Tell me this is a dream  
Somebody, please  
Tell me this is a dream

You know I'm just like a guy right now  
That don't want to face the reality  
The one I love leaving me  
You know, loving you too much  
Not wanting to realize that  
You're in love with someone else

And it hurts me so bad  
Whoa, ho, ho, yeah

Tell me this is a dream  
Somebody  
Tell me this is a dream  
Somebody  
Tell me this is a dream

Tell me this is a dream

Somebody  
Tell me this is a dream  
Somebody, please  
Tell me this is a dream

Tell me this is a dream  
Somebody, tell me...
