

# Colourblind

The Delgados

Feelin' blue, while I'm trying to forget the feeling that I miss  
You  
Feelin' green, when the jealousy swells and it won't go away in  
Dreams

Feelin' yellow, I'm confused inside  
A little hazy but mellow when I feel your eyes on me

Feelin' fine! Sublime!  
When that smile of yours creeps into my mind

Oh oh

Nobody told me you'd feel so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light, you're the light  
When I close my eyes  
I'm colour blind

You make me colour blind

Feelin' red, when you spend all your time with your friends and  
Not me instead  
Feelin' black, when I think about all the things that I feel I  
Lack

Feelin' jaded, when it's not gone right  
All the colours have faded, then I feel your eyes on me

Feelin' fine! Sublime!  
When that smile of yours creeps into my mind

Mm mm

Nobody told me you'd feel so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light, you're the light  
When I close my eyes  
I'm colour blind

You make me colour blind

Blinded by the light you shine, the colours fade completely  
Blinded by you every time, I feel your smile defeat me

I'm colour blind  
I just can't deny this feeling

Nobody told me you'd feel so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light, you're the light  
When I close my eyes  
I'm colour blind

Nobody told me you'd feel so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light, you're the light  
When I close my eyes  
I'm colour blind

You make me colour blind
