

# I'd Rather Be Strong

The Delgados

It's a sad situation  
A lot of hopeless information  
On the news  
Nothin's gonna please you  
And nothin's gonna change  
Well that's your view  
So many hungry people  
It's a shame and is it legal?  
Well it's a sight  
There's something goin' on  
Somethin' we can change  
And it's our right

So I'd rather be strong  
In a hopeless situation, yes  
I would rather be strong  
In a hopeless situation, yes  
I would rather be strong  
In a hopeless situation  
Yes I would, yes I would

Well you can say it's a shame  
And things remain the same  
And so it goes  
But no one's gonna hear you  
And no one's gonna see  
What doesn't show  
It'd be cause for celebration  
If only every nation understood  
And helping one another  
And doing for the other, what they could

And I'd rather be strong  
In a hopeless situation, yes  
I would rather be strong  
And to show determination, yes  
I would rather be strong  
In a hopeless situation

Yes I would, yes I would  
I'd be a lot better off if I could  
Be part of the love  
That's seemingly lost from above

A delicate situation (situation)  
Requires contemplation, everyone (everyone)  
And someone has to care (someone to care)  
When people live in fear of each man's son (each man's son)

So I'd rather be strong  
In a hopeless situation  
Yes, I would rather be strong  
In a hopeless situation  
Yes, I would rather be strong  
In a hopeless situation

Yes, I would, yes, I would

I'd be a lot better off if I could  
Be part of the love  
That's seemingly lost from above

I'd rather be strong, ooh yes, I would  
Well, I'd rather be strong, yes I would, yes I would, yes I  
Would  
Well, I'd rather be strong, ooh yes I would  
Well, I'd rather be strong, be strong, yes I would, yes I would  
Well, I'd rather be strong, yes I would  
Well I'd rather be strong, be strong, yes I would  
In a hopeless situation  
Yes, I would rather be strong  
In a hopeless situation, yes  
I would rather be strong  
In a hopeless situation  
Yes, I would rather be strong  
In a hopeless situation, yes  
I would rather be strong
