## I'd Rather Be Strong

## The Delgados

It's a sad situation
A lot of hopeless information
On the news
Nothin's gonna please you
And nothin's gonna change
Well that's your view
So many hungry people
It's a shame and is it legal?
Well it's a sight
There's something goin' on
Somethin' we can change
And it's our right

So I'd rather be strong In a hopeless situation, yes I would rather be strong In a hopeless situation, yes I would rather be strong In a hopeless situation Yes I would, yes I would

Well you can say it's a shame And things remain the same And so it goes But no one's gonna hear you And no one's gonna see What doesn't show It'd be cause for celebration If only every nation understood And helping one another And doing for the other, what they could

And I'd rather be strong In a hopeless situation, yes I would rather be strong And to show determination, yes I would rather be strong In a hopeless situation

Yes I would, yes I would I'd be a lot better off if I could Be part of the love That's seemingly lost from above

A delicate situation (situation) Requires contemplation, everyone (everyone) And someone has to care (someone to care) When people live in fear of each man's son (each man's son)

So I'd rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation

Yes, I would, yes, I would

I'd be a lot better off if I could Be part of the love That's seemingly lost from above

I'd rather be strong, ooh yes, I would Well, I'd rather be strong, yes I would, yes I would, yes I Would Well, I'd rather be strong, ooh yes I would Well, I'd rather be strong, be strong, yes I would, yes I would Well I'd rather be strong, yes I would Well I'd rather be strong, be strong, yes I would In a hopeless situation Yes, I would rather be strong In a hopeless situation, yes I would rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation, yes I would rather be strong
