

I Like To Rock

The Delgados

Well alright, somethin's got you goin' tonight
Doin' all she can, it's alright
Come on can't you see
That when we all let go
We get high on rock 'n' roll

Journey to the stars, rock 'n' roll guitars, yeah
I like to rock, some like it hot, baby
I like it, you like it
I like to rock, I like to rock

I can sing, that's the kind of life for me
Want it loose and fancy free
Come on then let's go
And it'll be alright
We can rock 'n' roll all night

Journey to the stars, rock 'n' roll guitars, yeah
I like to rock, some like it hot, baby
I like it, you like it
I like to rock, I like to rock

Ooh, I like to rock
Some like it hot, baby
I like it, you like it
I like to rock, I like to rock
