Just Like That

The Delgados

Alive and jivin', bareback ridin', anything to tease you We rant and rave, the world to save, anything to please you Now all night long we roll along, we ain't in bed till seven I know damn well we're goin' to hell, can't pay the price in Heaven

Ooh, ooh, ooh ooh, just like that Ooh, ooh, ooh ooh, just like that

They say we're no class, man are they crass, smiles upon their Faces We're glad to be this way you see, we have no need for crazes

Ooh, ooh, ooh ooh, just like that Ooh, ooh, ooh ooh, just like that We're rock 'n' roll children tonight We're gonna rattle everything in sight Look out ma, the hooligans are rolling tonight

We've been gone a long long time, and I only want to see you I'm headin' home and all alone, you know how much I need you

Ooh, ooh, ooh ooh, just like that Ooh, ooh, ooh ooh, just like that We're rock 'n' roll children tonight We're gonna rattle everything in sight Look out ma, the hooligans are rolling tonight We're rock 'n' roll children tonight We're gonna rattle everything in sight Look out ma, the hooligans are rolling tonight Ooh, ooh, ooh ooh, just like that Ooh, ooh, ooh ooh, just like that Ooh, ooh, ooh ooh, just like that Ooh, ooh, ooh ooh, just like that
