## Let's Face The Music

**The Delgados** 

There may be trouble ahead While there's moonlight and music and love and romance Let's face the music and dance

Before the fiddlers have fled Before they ask us to pay the bill And while we still have the chance Let's face the music and dance

Soon we'll be without the moon Hummin' a different tune, and then

There may be teardrops to she'd But while there's moonlight and music and love and romance Face the music and dance

Soon we'll be without the moon Hummin' a different tune, and then, and then

There may be teardrops to she'd But while there's moonlight and music and love and romance Let's face the music and dance, dance Let's face the music Come on feel the music
