

O-O, I Love You

The Dells

In my mind, thoughts are formed
The pen writes and words are born
Because we're shy when we're young
I'll let my heart speak
In place of my tongue

Darling, here's a letter
Written just for you
Next time, I'll do better
(The very next time)

But, oh, baby
What I have to say
Page after page
I wrote it this way

Ooh, I love you
Ooh, I love you

Everything, everything
Everything

Baby, my baby
My baby, my baby
I love you, my baby
My baby, my baby

Love letters are written
In many, many ways
But from start to finish
Mine simply says

Ooh, I love you
(My baby, baby)
I love you...
