

# The (bossa Nova) Bird

The Dells

Fly high, fly low  
Let's go, let's go  
Make like a bird  
Yeah, yeah

What kind of bird  
Bossa nova bird

Fly high, fly low  
Let's go, let's go  
Make like a bird

What kind of bird  
Bossa nova bird

Up in the air goes  
Make your wings flop  
Flop, flop, floppity flop

Kick your legs  
Make a little hop  
Hoppity hop, hoppity hop

Spread your arms  
Way out wide  
A bossa nova bird  
Let me see, can you fly

Fly high, fly low  
Let's go, let's go  
Make like a bird  
Yeah, yeah

What kind of bird  
Bossa nova bird

Move your feet like you're  
Scratching both together  
Scratch, scratch  
Bend and pretend  
You shake a tailfeather  
Shake, shake

A rain and a wind  
Comes a cloudy sky  
A bossa nova bird  
Let me see, can you fly

Fly high, fly low  
Let's go, let's go  
Make like a bird

What kind of bird  
Bossa nova bird

Move your feet like you're  
Scratching both together

Scratch, scratch  
Bend and pretend  
You shake a tailfeather  
Shake, shake

A rain and a wind  
Comes a cloudy sky  
A bossa nova bird  
Let me see, can you fly

Fly high, fly low  
Let's go, let's go  
Make like a bird

What kind of bird  
Bossa nova bird

Fly high, fly low...
