

Only Human

The Departure

You caught me looking at you
Something said that it could be true
All I can think about is how
To get you out of here

At the end of the bar
Yeah, you're talking with friends
About nothing and
All you can think about is what
You can get out of this
With these human sins

Oh, I am only human
Why do you look at me that way
I am only human

Do you need those chains?
Do you feel pain?
It's closing in and I've fallen short
And it's daylight at the bar
And you're drinking the same
And you taught me into
Changing nothing

Oh take me out of my routine
Oh take me out of my routine
Oh take me out of my routine
Oh take me out of this

Oh, I am only human
Why do you look at me that way
I am only human

We all have needs
