

Our Love

The Derek Trucks Band

I know, know what it's like on my own
Things have been wrong but I don't want to be alone
again
Sometimes, time ain't always on our side
You can't let fate pass you by
But if you want me to wait for you

You know our love is crazy
Crazy is beautiful
I know our love is crazy
No where I'd rather be

I won't let our world slip away
If you can be strong for a day
We both know I've been gifted before
You give more than you maybe should
While I sit and I hope you could
Take a breath that's for yourself

We know our love is crazy
It's what we do it for
I know your love is crazy
Know where you get it from

Crazy is beautiful

We know our love is crazy
What we do it for
I know your love is crazy
I know where you get it from

Crazy
