

Bye Bye Baby

The Detroit Cobras

You know you took my heart and you broke it apart
Why did I love baby, you, right at the start
You know you took my love throw it away
You gonna want my love someday
Well, bye bye baby

Well I thought your love was oh so true
Then you stabbed me baby, yeah started loving you
You know you took my heart threw it away
You gonna want my love someday
Well, bye bye baby

Well your love was sweeter than any I know
So don't come back runnin' or knockin' on my front door

Well I thought that I was your only girl
That there was no other, yeah, in this whole wide world
You know you took my love through it away
You gonna want my love someday
Well bye bye baby

Your love was sweeter than any I've known
So don't come back runnin' or knockin' on my front door

Well I thought that I was your only girl
That there was no other, yeah, in this whole wide world
You know you took my love threw it away
You gonna want my love someday

Well bye bye baby
Yeah bye bye baby
I don't want you no more
Bye bye baby
