Hallelu

The Devil Makes Three

Nothing is wrong here so I'm climbing up the walls Trying to kill this silence with gun blasts and alcohol I've been laughing, I've been crying, I've been living, I've be en dying They say tell the truth, they're lying, Hallelu Hallelu, Hallelu, praise the lord and pass the ammunition too They say Jesus is coming, he must be walking, he sure ain't run ninq Who can blame him, look how we done him, Hallelu What will it take to have this place on bended knee You run to the forest, you can bet I'll burn the trees I will poison the water 'cause it's only getting hotter And we came for sons and daughters Hallelu Hallelu, Hallelu, praise the lord and pass the ammunition too They say Jesus is coming, he must be walking, he sure ain't run ning Who can blame him, look how we done him, Hallelu Trials and tribulations, that's just bread and wine Getting my hands dirty, that does not take off the shine On this farm to get your filling, there's got to be a little ki lling So I am ready and I'm willing, Hallelu Hallelu, Hallelu, praise the lord and pass the ammunition too They say Jesus is coming, he must be walking, he sure ain't run ning Who can blame him, look how we done him, Hallelu If you're waiting on salvation you'll need candles and libation Train ain't coming in the station, Hallelu They say Jesus is coming, he must be walking, he sure ain't run ning Who can blame him, look how we done him, Hallelu
