

Nobody's Dirty Business

The Devil Makes Three

Said it ain't nobody's dirty business
How my baby treats me
Nobody's business but my own. (2x)

Hey now baby did you get that letter?
You take me back and I'll treat you better.
Ain't no one's business but my own. (2x)

Said it ain't nobody's dirty business
How my baby treats me
Nobody's business but my own. (2x)

Well sometimes my baby is boozy
And sometimes she tries to rule me.
Ain't no one's business but my own. (2x)

Said it ain't nobody's dirty business
How my baby treats me
Nobody's business but my own. (2x)

Champagne don't make me lazy,
Cocaine don't make me crazy,
Ain't no one's business but my own.
Cocaine don't make me crazy,
Champagne don't make me lazy.
Ain't no one's business but my own.

Said it ain't nobody's dirty business
How my baby treats me
Nobody's business but my own. (2x)

Well sometimes I might get a little crazy
I take my gun and shoot my lady,
Ain't no one's business but my own.
Well sometimes I might get a little crazy
I take my pistol shoot my lady,
Ain't no one's business but my own.

Said it ain't nobody's dirty business
How my baby treats me
Nobody's business but my own. (2x)
