

Keep this on your mind  
Keep it within your eyelids  
We have ascended countless stairs  
Perhaps it has interrupted our thoughts  
Regret is an inception, regret is a beginning  
Miles and miles of wires build the apparatus  
But don't mistake power lines for shelter  
I forgot and it will more than likely happen again  
Drink and binge the waters of the sea  
Keep this on your mind,  
Keep it within your eyelids  
Don't climb for a lifetime only to fall short of infinity  
Everything is left  
With faith, some minds are sand;  
But I prefer concrete  
This is what's going to separate us from them  
Time for the next chapter  
Keep this on your mind  
Keep this within your eyelids
