

Gimme Half

The Devil Wears Prada

Keep this on your mind
Keep it within your eyelids
We have ascended countless stairs
Perhaps it has interrupted our thoughts
Regret is an inception, regret is a beginning
Miles and miles of wires build the apparatus
But don't mistake power lines for shelter
I forgot and it will more than likely happen again
Drink and binge the waters of the sea
Keep this on your mind,
Keep it within your eyelids
Don't climb for a lifetime only to fall short of infinity
Everything is left
With faith, some minds are sand;
But I prefer concrete
This is what's going to separate us from them
Time for the next chapter
Keep this on your mind
Keep this within your eyelids
