

Crossing The River

The Devlins

Somethin' tells me
I can trust in you
There's no greetings
In the things you do
So much water
Under this bridge
And I'm standing here
At the water's edge

Lookin' into your eyes
I'm crossin' the river
To get to you
I'm crossin' the river
Crossin the river

You have the longing
Of a broken heart
Shined your light in a room
That was frozen dark

Lookin' into your eyes (yeah-heah)
Lookin' into your eyes
I'm crossin' the river (crossing the river)
To get to you
I'm crossin' the river (crossin' the river)
And this time I'll make it through
With your faith and your arms open wide
I see you there on the other side
Crossin' the river
Of fear and pride

There's no turning back I know
Come so far and I've got so far to go

I'm crossin' the river (crossin' the river)
To Get to you
I'm crossin' the river (crossin' the river)
And this time I'll make it through (oh yeah)
With your faith and your arms open wide
I'll see you there on the other side
Crossin' the river
Of fear and pride (fear and pride, oh yeah)

I'm crossin' the river
I'm crossin' the river (crossin' the river)
I'm crossin' the river
To get to you
