

# Reckless

The Devlins

I guess that you could say  
That things worked out okay for now  
The promises you made  
Could disappear without a trace

'Cause I'm reckless  
'Cause I'm reckless, yeah  
'Cause I'm reckless

Somewhere along the way  
You raised your hand up to my face  
And said you never should look back  
Experience has taught us that

And I tried, I tried, yeah I tried  
But I still feel out of place and strange

'Cause I'm reckless  
'Cause I'm reckless, now  
'Cause I'm reckless

And somewhere out in space  
A satellite revolves untraced  
You offer up so much  
I'm sure there is a price to pay

'Cause I'm reckless  
'Cause I'm reckless, yeah  
'Cause I'm reckless

I guess that you could say  
That things worked out okay for now
