

# Until The Light Shines Through

The Devlins

It feels like my thoughts  
Could run into your mind  
AND say the things that I can't say

And all of this time  
I'm thinking to myself  
The only thing I see is you  
My life runs through  
Your heart will be a place for me

Night speeds so fast  
It's easy now  
I cut myself on these thoughts of you  
And I hear your voice  
I'm running now into your world  
That takes me near the edge of real  
My mind to steal each night with you  
Make everything seem new

And it feels like I'm  
Spending all my time  
Chasing dreams I wish so would come true  
If you hold the knife  
I would take my life  
I want to be with you  
I want to be with you  
Until the light shines through

Nothing changes now my heart stands still  
You could part my will to live

And it feels like I'm  
Spending all my time  
Chasing dreams I wish so would come true  
If you hold the knife  
I would take my life  
I want to be with you  
I want to be with you  
Until the light shines through
