

# Manny, Moe And Jack

The Dickies

When your on the road  
and your car wont pull that load  
and your wheels aren't feeling fine  
Well I know of this joint  
where they'll check your plugs and points  
I know these guys they're three good friends of mine

Manny Moe and Jack  
They know what I'm after  
Manny Moe and Jack  
They Know what I'm after  
They're Manny Moe and Jack

Once your inside  
they wont take you for a ride  
they got a good deal for you and your automobile  
for the right price  
they will sell you fuzzy dice  
and leather hand grips for your steering whee-al

[Chorus]

If its tires you want they got a lot for you  
Dunlop, Firestone, Pirelli too

(8x) Many Moe and Jack!  
They know what I'm after
