

Oh Boy!

The Dickies

I feel like a king
I feel like a king

Oh boy! Oh boy!
I feel like a king
I'm eating all my greens
Oh boy! Oh boy!

Oh, oh my oh my
Life's a piece of pie
Oh boy! Oh boy!
I'm sittin' on the throne
Playin' the Ramones
Oh boy! Oh boy!

Axl Rose on my empty V
I don't know why he's not as pretty as me
But I'm still being who I wanna be, oh boy!

I'm livin' my life, I'm livin' my life
Oh boy! Oh boy!
I'm livin' my life, I'm lookin' for a wife
Oh boy! Oh boy!
Stanley got a rash, he's growin' a moustache
Oh boy! Oh boy!
Chuck Wagon got too weird, the others disappeared
Oh boy! Oh boy!
I feel it shakin' outside
It doesn't matter oh momma, momma, oh boy!
Oh boy! I'm swingin' oh boy!
