

# She

The Dickies

she, she told me that she loved me  
and then she fed me dirt  
she, she said she'd never hurt me  
and then she made me hurt

why am i standing here  
missing her and wishing she was near  
she only did me wrong  
i'm better off alone

she, she's stoled all my sweet love  
and then she fed me dirt  
she, she laughed while i was crying  
and that's what made me hurt

and now i know just why she  
keeps me hanging on  
she needs someone to walk on  
so her feet don't touch the ground

and i love her  
i need her  
i love her  
i need her  
yea! yea! yea! yea!
