

Zeppelina

The Dickies

I saw you on the corner yesterday
I couldn't think of anything to say
But you just walked right by me
So I felt that I was standing in your way

I saw you at a party just last week
I tried to talk but I could hardly speak
But you jsut walked right by me
So I ran to mix myself another drink

Zeppelina, you are all that is dear to me
Zeppelina, I'm so proud that you're in my family tree
I wish that I was handsome and was wise
But you won't listen to my alibis
I'll have to wait for Halloween
So that way I can see you in disguise

Zeppelina, you are all that is dear to me
Zeppelina, I'm so proud to have you in my family tree

I used to dream about you in my sleep
That when I woke up you'd be mine to keep
But now that I am married to you
I've been counting pigs instead of sheep
