## **Faster And Louder**

**The Dictators** 

Talk, talk, talk, talk, keeps getting in the way Speaking as a young artiste who has so much to say So now you know my situation understand my aggravation building up so strong inside cause I wanna make some noise

I can play Faster and louder I can dance Faster and louder I can live Faster and louder I'm a man Faster and louder

Feel the need to express myself Think I'll form a band and call it Yazoo Squelch Some say it's an abberation I know it's my avocation step aside and watch me fly cause I'm gonna make some noise

I can talk Faster and louder I can eat Faster and louder I can screw Faster and louder I'm a man, I'm a man Faster and louder

I can scream Faster and louder I can jive Faster and louder walk the dog Faster and louder mow the lawn Faster and louder jump back jack! Faster and louder get down Bernice! Faster and louder Hot Pants!
