

Like I Love You

The Dillinger Escape Plan

Just something about you
We all lookin at you whatever
You keep lookin at me
You gettin scared now, right?
Don't fear me baby, it's just Justin
It feel good right?
Listen
I kind of noticed something one night
From the club, your front face
It's kind of weird to me
Since you're so fine
If it's up to me your face will change.....
If you smiling, that should set the tone
Just be limber
If you let go, the music should move your bones
Just remember
Sing this song with me
Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you
People are so phony
Nosy coz they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin
When it doesn't matter anyway
Coz we're here tonight
If you smiling, that should set the tone
Just be limber baby
If you let go, the music should groove your bones
Baby just remember
Sing this song with me
Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you
Yeah, you know I can make ya happy
I could change your life
If you give me that chance
To be your man
I won't let you down baby
If you give me that chance
To be your man
Here baby, put on my jacket
And then ...
Maybe we'll fly the night away (I just wanna love you baby)
Yeah, yeah, yeah
Maybe we'll fly the night away(I just wanna love you baby)
Girl ...
