

## Like I Love You

### The Dillinger Escape Plan

Just something about you  
We all lookin at you whatever  
You keep lookin at me  
You gettin scared now, right?  
Don't fear me baby, it's just Justin  
It feel good right?  
Listen  
I kind of noticed something one night  
From the club, your front face  
It's kind of weird to me  
Since you're so fine  
If it's up to me your face will change.....  
If you smiling, that should set the tone  
Just be limber  
If you let go, the music should move your bones  
Just remember  
Sing this song with me  
Ain't nobody love you like I love you  
You're a good girl and that's what makes me trust ya  
Late at night, I talk to you  
You will know the difference when I touch you  
People are so phony  
Nosy coz they're lonely  
Aren't you sick of the same thing?  
They say so and so was dating  
Love you or they're hatin  
When it doesn't matter anyway  
Coz we're here tonight  
If you smiling, that should set the tone  
Just be limber baby  
If you let go, the music should groove your bones  
Baby just remember  
Sing this song with me  
Ain't nobody love you like I love you  
You're a good girl and that's what makes me trust ya  
Late at night, I talk to you  
You will know the difference when I touch you  
Yeah, you know I can make ya happy  
I could change your life  
If you give me that chance  
To be your man  
I won't let you down baby  
If you give me that chance  
To be your man  
Here baby, put on my jacket  
And then ...  
Maybe we'll fly the night away (I just wanna love you baby)  
Yeah, yeah, yeah  
Maybe we'll fly the night away(I just wanna love you baby)  
Girl ...
