

# God Damn Liar

## The Dirty Heads

You can't use it, you's a god damn liar  
You's a god damn liar

Lady, lady, lady, let me show you how it's supposed to be  
Every lie you tell's another bead upon your rosary  
Baby, baby, baby, count your sins before you go to sleep  
You may not be praying, but I know you been down on your knees  
Call me non-believer, you can call my ass a skeptic  
Serving up some bullshit, man, I think I skipped that breakfast  
I ain't even tryna bite, feeling anorexic  
Leaving letters in the fire, take my shit and exit

No, 'cause you's a god damn liar  
You must of lost your god damn mind  
No, 'cause you's a god damn liar  
You must of lost your god damn, god damn mind

You can't use it, you's a god damn liar  
You's a god damn liar  
You can't use it, you's a god damn liar  
You's a god damn liar

Lady, lady, lady, now I've gone and done something dumb  
Tell me does your new friend that you found like the sound of guns?  
Baby, baby, baby, pull the hammer back with my thumb  
Get this party started, everybody, are we having fun?  
Colt 45, you can drink from my revolver  
This ain't holy water, this is dirty as a dollar  
If I see the man, I might just let the musket holler  
Broken man, woman scorned, crying at the alter

No, 'cause you's a god damn liar  
You must of lost your god damn mind  
No, 'cause you's a god damn liar  
You must of lost your god damn, god damn mind

You can't use it, you's a god damn liar  
You's a god damn liar  
You can't use it, you's a god damn liar  
You's a god damn liar

Ándeale, ándeale, move along, yeah, I'm on my way  
And all of these troubles will just be bumped to my gun to lay  
And I don't find problems with people, I just find love in my equals  
Demons, they try slowing me down, these attempts are feeble  
I got no reason for lying, I find no reason in treason  
Fakers and followers, bitches blinking like vegans  
And, yes, I know what they doing, yeah I know what they trying  
No I don't waste my time because I know that they lying

No, 'cause you's a god damn liar  
You must of lost your god damn mind  
No, 'cause you's a god damn liar  
You must of lost your god damn, god damn mind

You can't use it, you's a god damn liar  
You's a god damn liar

You can't use it, you's a god damn liar  
You's a god damn liar
