

# Sound Of Change

The Dirty Heads

I see you've been chasing your monsters  
And they've been driving you bonkers  
Just blind them with Rocket Launchers  
Of light and to blow out their conscience  
If you really want to juxtapose  
And take a darker color with a blush of rose  
And then you put it in your ink and watch it grow  
Your mind is always open when your eyes are closed  
Because you're blind to color and your blind to creed  
You're blind to all the things that you don't need  
Then you find a mind and then you plant a seed  
Then you nourish it a little let it free

You're building it up  
And they're breaking it down  
Wanna give up  
But keep holding your ground  
Turning it up  
But they're deaf to the sound  
Oh the sound the sound of change

I can hear it now, the horns are playing  
The victory sound, I live in the now  
The sky is my home, and I live in the clouds  
Now or never, bound forever  
Making a change, making it better  
I live for this shit, I love the pain  
It's part of the journey, it's part of the game  
I've been alone in the dark and the rain  
I've seen the end and I wasn't afraid  
I've been in tears and I wasn't ashamed  
I hear a sound the sound that I'm hearing is change

You're building it up  
And they're breaking it down  
Wanna give up  
But keep holding your ground  
Turning it up  
But they're deaf to the sound  
Oh the sound the sound of change

You're building it up  
And they're breaking it down  
Wanna give up  
But keep holding your ground  
You're turning it up  
But they're deaf to the sound  
Oh the sound the sound of change

Well they try to put hands on my ears  
Oh oh the sound  
In my heart I'm still hearing it clear  
Oh oh the sound  
Tell me why do they fear what is real?  
Oh oh the sound  
You can't stop what is already here  
Oh oh the sound

You're building it up  
And they're breaking it down  
Wanna give up  
But keep holding your ground  
You're turning it up  
But they're deaf to the sound  
Oh the sound the sound of change

You're building it up  
And they're breaking it down  
Wanna give up  
But keep holding your ground  
You're turning it up  
But they're deaf to the sound  
Oh the sound the sound of change

OOOoooOO oh oh oh oh  
OOOoooOO oh oh oh oh  
OOOoooOO oh oh oh oh  
Oh the sound the sound of change

OOOoooOO oh oh oh oh  
OOOoooOO oh Oh oh oh  
OOOoooOO oh oh oh oh  
Oh the sound the sound of change
