

# I'm Not Listening to You

The Dirty Youth

Your tears of silence are filled with violence  
It's not the remedy so please don't lie to me  
I need to push you, push you away now  
Is it not obvious, your causing too much fuss

Don't you know what's going on  
You've lost the place where you belong  
Express your hate on everything  
All the people they will sing

(I'm not listening)

I'm not listening to you anymore, anymore  
I'm not listening to you anymore, anymore

It makes no sense to me, when you lose dignity  
Bad imitation of someone's liberty  
I tried to pull you, pull you together  
Is it not obvious? There is no hope for us

(I'm not listening)

I'm not listening to you anymore, anymore  
I'm not listening to you anymore, anymore

When your down and you can't pull through  
Don't call my name 'cause I can't save you  
Just turn and walk away

The time has come to take your final bow  
Your tears don't fall  
They disappear somehow  
We've had our share of loss  
There is no more to gain  
Some words are best left unspoken  
Things will never be the same  
Never

Don't look back, I'm not waiting for you  
Don't look back, I'm not waiting for you  
Don't look back, I'm not waiting for you  
Don't look back, I'm not waiting for you
