

Last Confession

The Dirty Youth

I've been waiting
To tell you how I feel
Anticipating
Is this fake or real

Everything comes crashing down
Respect you had flies out the window
Nothing makes much sense right now
Why can't you accept I'm sorry?

Wipe the tear
Forgive me
We're breaking up
We should be making up
Forget the past

This is my last confession
You are my one obsession
You see through me
Why can't you see
We both know that we're meant to be

Faced with confusion
Cause I can't have my say
One big illusion
Pretending it's OK

Everything is broken now
The finish line is getting closer
The guilt that's built inside me now
It's too late to say I'm sorry

Wipe the tear
Forgive me
We're breaking up
We should be making up
Forget the past

This is my last confession
You are my one obsession
You see through me
Why can't you see?
We both know that we're meant to be

It's so hard
When lives collide
You try your best to hold on tight
It's all gone

You said we'd last forever
Always be here together

You see through me
Why can't you see
We both know that we're meant to be
