

# The One

The Dirty Youth

Can you whisper in my ear  
Your thoughts, your feelings  
Everything you are  
I'd have to disappear  
If we ever let go

Your look, your scent  
Your taste, your touch  
It's overwhelming, it's too much  
And as I pull you close to me  
I'll never let you go

I just need you  
I just need you

Don't you know that you're the one and only?  
You're the one for me, the one for me  
Don't you know you are the one that owns me?  
You're the one for me, the one for me

Your look, your scent  
Your taste, your touch  
It's overwhelming, it's too much  
So follow me, follow me, follow me, follow me, follow me  
Follow me, follow me, follow me, follow me, follow

And I just need you to know  
You're the one

Don't you know that you're the one and only?  
You're the one for me, the one for me  
Don't you know you are the one that owns me?  
You're the one for me, the one for me

Let's sell our souls for something we believe in!  
Let's sell our souls for something we believe in!  
Let's sell our souls for something we believe in!  
Let's sell our souls for something we believe in!  
Let's sell our souls for something we believe in!  
Let's sell our souls...

Everybody dance (yeah)  
Everybody dance (yeah)  
Everybody dance (yeah)

Don't you know that you're the one and only  
You're the one for me, everybody dance (yeah)  
Don't you know you are the one that owns me?  
You're the one for me, the one for me, the one for me
