

13Th And Euclid

The Dismemberment Plan

No one wants to get hurt
No way man
You're not getting it
Come on down

How you like me now?
Shut up, shut up, shut the fuck up
People watch
I'm thinking maybe they can help

Do they? no
No no, no no
13th and Euclid
Please help me

And the gun hangs between us
Like a hangman
And I'm thinking my number is up
And I'm looking for my wallet

It's in my back left pocket
And I'm starting to feel like I might be some celebrity
And I'm starting to feel
Like I might be on TV

Think I'm on TV
Think I'm on TV
13th and Euclid
Please help me
