

I've Been To A Marvellous Party

The Divine Comedy

I must say it's the most extraordinary experience not everybody
I suppose it's something to do with the sun and all that but I
wouldn't understand myself really and I'm not sure it's even l
egal

You know quite for no reason I'm here for the season and high a
s a kite

Living in error with Maud at Cap Ferrar which couldn't be right
Everyone's here and frightfully gay nobody cares what people sa
y

Though the Riviera seems really much queerer than Rome at it's
height

On Wednesday night I went to a marvellous party
With Nunu and Nada and Nell

It was in the fresh air and we went as we were and we stayed as
we were which was hell

Poor Grace started singing at midnight and she didn't stop sing
ing til four

We knew the excitement was bound to begin when Laura got blind
on Dubonet and Gin

And scratched her veneer with a Cartier pin - I couldn't have l
iked it more!

I couldn't have liked it more...

I've been to a marvellous party. We played a wonderful game. Ma
ureen disappeared and came back in a beard and we all had to gu
ess at her name. Cecil arrived wearing armour, some shells and
a black feather boa. Poor Millicent wore a surrealist comb made
of bits of mosaic from St Peters in Rome but the weight was so
great that she had to go home - well I couldn't have liked it
more..

I've been to a marvellous party. I must say the fun was intense
. We all had to do what the people we knew might be doing 100 y
ears hence. We talked about growing old gracefully and Elsie wh
o's 74 said a) it's a question of being sincere and b) if you'r
e supple you've got nothing to fear then she swung upside down
from a chandelier - and I couldn't have liked it more..

It was the most fabulous excitement, I've never seen such a car
ry on obviously it couldn't happen anywhere else but on the Riv
iera it was most peculiar..

You know people's behaviour away from Belgravia would make you
aghast. So much variety watching society scampering past... You k
now if you had any mind at all, Gibbons divine 'Decline and Fal
l' well it sounds pretty flimsy no more than a whimsy by way of
contrast on Wednesday last...

I went to a marvellous party we didn't sit down til ten. Y'know young Bobby Carr did a stunt at the bar with a lot of extraordinary men. And then Freda arrived with a turtle which shattered us all to the core. And then the Duchess passed out at a quarter to three and suddenly Cyril cried 'fiddle-de-de' and he ripped off his trousers and jumped in the sea - I couldn't have liked it more..

I've been to a marvellous party - Elise made an entrance with May. You'd never have guessed from her fisherman's vest that her bust had been whittled away. Poor Lulu got fried on chianti and talked about esprit de corps. Louise made a couple of passes at Gus and Freddy who hates any kind of a fuss did half the big apple and twisted his truss - HA HA! I couldn't have liked it more!
