

## Love Is Lighter Than Air

### The Divine Comedy

Summer, summer, summer slowly turned into fall  
Me and my baby doll never went to the beach  
Somewhere, somewhere, somewhere was a place we could run  
On the sand with the sun always just out of reach

Somewhere sunny summer's marching to a different drummer, singing  
"Summer, summer, summer's gonna turn into fall,  
you and your baby doll better go to the beach"  
'Cos love is lighter than air  
it floats away if you let go  
Love is lighter than air

Rising through the falling snow.  
A crime, crime, crime, sin and illness is time  
Neither reason nor rhyme can obstruct his bad dance  
The nasty little swine slipped us mickeys in wine

Wove his hair into twine and then tied up our hands  
We're forced to watch him wriggle  
And endure his fulsome giggle  
And his mime, mime, mime,  
Unforgivable mime -  
Our one chance is to climb into blimps of romance
