

# There Is A Light That Never Goes Out

The Divine Comedy

Take me out tonight  
Where there's music and there's people who are young and alive  
Driving in your car  
I never never want to go home, because I haven't got one anymore  
Take me out tonight  
Because I want to see people and I want to see lights  
Driving in your car  
Oh please don't drop me home, because it's not my home  
It's their home, and I'm welcome no more  
And if a double-decker bus crashes into us  
To die by your side is such a heavenly way to die  
And if a ten tonne truck kills the both of us  
To die by your side, well, the pleasure and the privilege is mine  
Take me out tonight  
Oh take me anywhere, I don't care  
And in a darkened underpass I thought Oh God, my chance has come at last  
(but then a strange fear gripped me and I just couldn't ask)  
Take me out tonight  
Take me anywhere, I don't care  
Just driving in your car  
I never never want to go home, because I haven't got one  
I haven't got one...
