

Goodnight Tonight

The Dollyrots

Tonight, my darling I'm waiting
Tonight, sleepy I'm fading
Tonight, wishing a shooting star
Tonight, I'm wishing for you

Holding me sweetly
Cozy completely
Sweaty like babies sleep,
Tonight, my darling with you

Tonight, my heart you are stealing
Tonight, nervous with feeling
Tonight, innocent side by side
Tonight, I'm dreaming with you

Holding me sweetly
Cozy completely
Sweaty like babies sleep,
Tonight, tonight with you

Goodnight, my darling I'm waiting
Goodnight, sleepy I'm fading
Goodnight, wished on a shooting star
Tonight, I'm wishing with you

Holding me sweetly
Cozy completely
Sweaty like babies sleep,
Tonight, tonight with you
