

Boy Like You

The Donnas

I want to be with a boy like you
I said I want to be with a boy like you (oh yeah)
Patty said, you're a pest.
But I want to be with a boy like you
I want to go wherever you go
It's okay my folks don't need to know (oh yeah)
I don't care if you don't wash your hair
Cause I want to be with a boy like you

You're the toughest boy in the school
And my daddy's afraid of you (oh yeah)

I want to be with a boy like you
(be with a boy like you)
I said I want to be with a boy like you
(I want to be with a boy like you)
Like you
