

Checkin' It Out

The Donnas

I know what I want tonight, and I see it coming off the street.
I'm going nowhere and I'm only seventeen.
I know about gettin' it on, and I want a little piece of you.
I'm thinking about taking a bite if you know what I mean.

Oh no. Oh no. I don't care what you wanna do.
Oh no. Oh no. I'm checkin' it out. That's right.

So don't try stopping my buzz, 'cause I'm checkin' it out.
(Check, check, checkin' it out)
And I don't care about you, 'cause I'm checkin' it out.
(Check, check, checkin' it out)
Ch-ch-ch-checkin' it out.
(Check, check, checkin' it out)
Ch-ch-ch-checkin' it out.
(Check, check, checkin' it out)
Ch-ch-ch-checkin' it out.

Get it boy, it's a lot from me, and I think I'm gonna get some
now.
I've got a little sister and I'm gonna teacher her how.
I know about gettin' it on, and I want a little piece of you.
I'm thinking about taking a bite and I'm gonna right now.

Oh no. Oh no. I don't care what you wanna do.
Oh no. Oh no. I'm checkin' it out. That's right.
