

Do You Wanna Go Out With Me

The Donnas

Do do you wanna go out with me
Do do you wanna go out with me
Come on baby
Do do you wanna go out with me
Come on baby
Do do you wanna go out with me
Baby can't you see
Won't you go out with me

Nothing else will do
I only wanna be with you

Everybody go now

Baby can't you see
Won't you go out with me

Let's go!
