Do You Wanna Go Out With Me

The Donnas

Do do you wanna go out with me Do do you wanna go out with me Come on baby Do do you wanna go out with me Come on baby Do do you wanna go out with me Baby can't you see Won't you go out with me

Nothing else will do I only wanna be with you

Everybody go now

Baby can't you see Won't you go out with me

Let's go!
