

Don't Break Me Down

The Donnas

Don't break me, don't break me down
Can't you see, my hands on the ground?
I can't remember my name,
And I promise, it won't be the same

Did you steal it?
Can you feel it?
Cause I'm starting to feel it now,
So don't break me down

Don't break me, don't break me down
Don't bury, my words in the ground I
Can't sleep at night,
And I know without me
That you're not alright

Can you taste it?
Can you face it?
Cause I'm ready to face it now,
So don't break me down

I know I'm holding too tight
But just give me some time, and I'll get it right
