Doo wop wop
Doo wop wop
Every time I have a date there's only one place to go
That's to the drive in

Doo wop wop

It's such a rab place to go and maybe watch a show

Down at the drive in

Doo wop wop

Gonna have a little pill and maybe smoke a bowl Then I went to the back so I can rock 'n roll Down at the drive in Doo wop wop

Down at the drive in
Doo wop wop
Doo wop wop
If the windows get foggy I'll have to take a breath

Down at the drive in
Doo wop wop
Twenty minutes to go there's no Correcto left
Down at the drive in

Doo wop wop
I want to extra-large pizza and maybe have a toke
But there's so much money, have to go go
Down at the drive in

Doo wop wop
Down at the drive in
