

# Get Rid of That Girl

The Donnas

See that boy he looks so fine  
But he's got a girlfriend my oh my  
Go Go Go  
I'm gonna hit her in the head  
I'm gonna knock her down  
I'm gonna drag her by the hair all over town  
I'm gonna get get get get rid of that girl  
I'm gonna get get get get rid of that girl  
I'm gonna get get get get rid of that girl tonight

Her hair's so blond and her nails' so long  
So I put my Mabelines' record on  
Kill Kill Kill

I'm gonna drag her ass down to my car  
I'm gonna use an axe like Madame Defarge  
I'm gonna get get get get rid of that girl  
I'm gonna get get get get rid of that girl  
I'm gonna get get get get rid of that girl tonight

Every time I see him he's with she  
Gonna make her legs all wobbly  
I can't wait to punch her in the teeth  
Then that boy will be all for me

So when we pass her house on the way to school  
He'll no longer say how she's so cool to me

Get rid of that girl  
Get rid of that girl

See that boy he looks so fine  
But he's got a girlfriend my oh my

KILL KILL KILL

I'm gonna hit her in the head  
I'm gonna knock her down  
I'm gonna drag her by the hair all over town  
I'm gonna get get get get rid of that girl  
I'm gonna get get get get rid of that girl  
I'm gonna get get get get rid of that girl tonight

Get rid of that girl... get rid of that girl... get rid of that girl!
